**4. Proposed Amendments to Club Constitution**

Angelo Agresti discussed the proposed amendments to the Club Constitution.

The present members were asked to indicate whether they were aware of the proposed amendments and it was noted that only 10 members had seen the proposed amendments.

Glenn Turner spoke against the proposed name change to 'Newcastle Wanderers'. He noted that the club was established in 1924, and that there was no need to add 'Newcastle' to the name, as Wanderers could already be identified.

Discussion that there were not enough members aware of the proposals, and therefore a vote should not be completed before members were fully aware of all of the details.

Tim Morton moved a motion that the vote be postponed until next season. Motion Seconded by Morgan Jones. All members in favour.
