Additionally:-

We are endeavouring to hold a Wanderers race day in November 2011. The little stash from the Punters Club may provide the catalyst for a very good day.

Also, the idea has been floated that we may purchase a grey hound to run in the Wanderer's colours. The dog will be selected by an expert in the field and will be professionally trained. (Nnnnnnnnnno,.....Mitch Gibson will NOT be walking the Dog)

Prize for the best name (the name should be in the "blue vein").

Members of the Punters Club will have first option to purchase a share in pan-licker. Big nights out at the Gardens guaranteed.  
Might even make a cute little mascot!
